UTSAV

2022

SATURDAY, 10TH DECEMBER 2022

Dear Sir,

Kanjikode is one of the largest industrial clusters in Kerala. There are almost 700 industrial units operating in this region. Kanjikode Industries Forum is the premier industrial grouping which represents the interests and welfare of the industrial units here. KIF has been in existence for over 25 years now and is actively involved in the development of this industrial area through active participation of all stakeholders.

Kanjikode is also the gateway to the largest and most ambitious industrial development project in South India, the Coimbatore - Kochi industrial corridor. Over 1500 acres of land has been acquired in this region and over a thousand new industries are expected to invest and operate here in the near future.

KIF is organising a cultural and entertainment extravaganza for the entrepreneurs of Kanjikode. This will be the largest gathering of entrepreneurs and their families in Palakkad. The event will kick off with an Award function to recognise outstanding individuals and organisations.

It will be followed by a 3 hour cultural and entertainment program, along with a sumptuous soul filling feast. Leading artists from the state will be roped in to perform during this event. This is the third edition of the family meet which has now been decided to be conducted as a bi-annual function. The last edition conducted in February, 2020, was a massive success, with a participation of over 2000 people including entrepreneurs from over 500 industrial units and their families.

The objective of the event, in addition to providing a networking and entertainment platform for our members and guests, also serves to raise funds for developmental and charitable projects of Kanjikode Industries Forum.

This event also presents itself as a rare opportunity for the sponsors to present their products and services before a highly targeted audience consisting of eminent industrialists and entrepreneurs and the cream of Palakkad.

The slots for external sponsors will be limited to offer more value to the sponsors.
